

Summer Reading

Penn Christian Academy

Fourth Grade 2009-2010

Dear Parents:

This letter provides you with the requirements for the Summer Reading for Fourth Grade. Your child may read either of the selected books. It will be their choice. After they've read the book, they are to draw and color an illustration of their favorite scene from the book. They should be prepared to present their illustration and explain why they chose that scene.

On the first day of school, the children should bring with them: (1) the selected book (2) and the illustration of their favorite scene from the book. This work will be included in the Reading grade for the first marking period.
