

The Hartman Herald

June 8, 2009

Dear Parents,

What a week we have planned! It all started with our Plymouth Swim Trip today. This is an all time favorite of the students, and now I see why! It was so nice to relax and spend time with the students and YOU! God sure has blessed us with a wonderful second grade family.

Speaking of exciting events, tomorrow will be our special parent appreciation celebration! It has been a joy to work with all of the parents this year. Your generosity and love has been overwhelming. Please come and allow us to thank you from 2-3pm ☺. If you cannot come, please allow someone who has been instrumental in your child's academic career this year take part in this special time.

The students have earned a marble party! Please send them dressed in their pajamas on Wednesday, when we'll be watching a special movie in the afternoon. Please do not worry about sending anything in for the party.

Words simply cannot express how much I have enjoyed my experience here at PCA. God's plan is perfect! From the minute I began my student teaching experience here last August, I felt right at home. PCA is such a unique place, and I am so thankful to have started my teaching career here. It has been a joy to spend each day with this class, and to enjoy a relationship with each one of you! May you have a wonderful summer, basking in the Sun!

In Him,
Miss Hartman

Reading

We've starting reading Freckle Juice by Judy Blume! It's such a silly story and we are enjoying reading it. Remember, chapter books have characters, a problem, and a solution!

Math

This week we'll end the year by getting our feet wet with addition and subtraction of three-digit numbers. Since the students have already mastered adding two digit numbers, I know they will enjoy this!!!

Parent Appreciation Celebration

If you have not already RSVP'd for our celebration tomorrow, please cut off the bottom of this letter and send in with your child! You and your spouse are both invited.

Important Dates
